Dear Victor

<_/ Thank you for making the long journey north and thank you for your contribution to The Parents' Conference on Saturday 9th September your performance was enjoyed by all who attended "despite the rain!"

The workshops although numbers were less than anticipated were enjoyed by all those who attended, I have enclosed copies of the evaluations.

I have also enclosed some pictures taken by our photographer which I thought you might want to keep.

. Once again thank you for your input on the day.

Yours sincerely
